KERN RIVER GOLF COURSE

RUDAL RD, BAKERSFIELD, CA 93306

For more information contact Eric Arias at 661-885-5730 or Eric.A@uwcec.org.

WHO WE ARE

On Monday, April 21st, United Way of Central Eastern California (UWCEC) and the Kern River Women's Golf Club (KRWGC) will host the 4th Annual Charity Classic Golf Tournament. Each year, KRWGC partners with a local nonprofit to support programs that address community needs.

We are honored that UWCEC has been chosen as this year's nonprofit partner.

United Way of Central Eastern California focuses on:

Youth Opportunity -

Focused on preventing children from falling behind in their reading proficiency.

Healthy Community -

Working hard to develop health programs and create partnerships to better assist our local residents and families.

Financial Security -

Actively working to help these families and individuals overcome their financial hardships.

Community Resiliency -

UWCEC serves as the lead disaster relief agency for the County of Kern, responding to the many needs of victims of local natural disasters.

This tournament is an opportunity to fund these critical programs. Your support ensures we can continue to make a lasting impact on the lives of residents in Kern, Inyo, Mono, and northern San Bernardino. United Way of Central Eastern California is committed to building stronger, more equitable communities by bringing together donors, volunteers, and advocates. Together, we transform lives and create a future where everyone thrives.

Please consider participating in the 4th Annual Charity Classic Golf Tournament. Your generosity changes lives.
